AI/ML Full Stack Developer passionate about building AI-powered applications and scalable web solutions. Experienced in Python, FastAPI, Machine Learning, MERN Stack, and Generative AI. Built full-stack applications, AI models, and currently developing an AI Developer Copilot with RAG, LLMs, and modern AI technologies.

WORK EXPERIENCE

Technobij Solutions Pvt. Ltd.

Jan 2026 – Jan 2028

- **AI-ML Intern**

- Completed a AI/ML Internship focused on Machine Learning and Computer Vision.
- Built an AI-based Fire Detection System using YOLO for real-time fire detection.
- Worked on data preprocessing, model training, testing, and performance optimization.
- Collaborated with senior developers while learning real-world AI development workflows.

EDUCATION

Bharati Vidyapeeth's College Of Engineering, Lavale, Pune

Aug 2023 – May 2027

- Bachelor of Technology in Computer Engineering

PROJECT

ATS Resume Analyzer

- Developed an ATS Resume Analyzer using FastAPI, Python, PostgreSQL, and Gemini API to evaluate resumes against job descriptions.
- Built a modular matching engine for skills, education, experience, and responsibilities, generating an overall ATS compatibility score.
- Implemented resume/JD parsing, structured data extraction, and AI-powered recommendations using a scalable, production-ready backend architecture.

Blogify – MERN Stack Blogging Platform

[\[Live Demo\]](#)

- Developed and deployed a full-stack blogging platform using MongoDB, Express.js, React.js, and Node.js.
- Implemented JWT Authentication, CRUD operations, responsive UI, and secure APIs.
- Deployed application successfully on Vercel.

SKILLS

- **Front-end:** HTML, CSS, JavaScript, React.js, Tailwind CSS, Responsive web design.
- **Back-end:** Node.js, Express.js, FastAPI, RESTful API design.
- **Database:** PostgreSQL, MongoDB.
- **AI / Machine Learning:** Machine Learning, Deep Learning Basics, YOLO, LLM's, Generative AI, RAG (Retrieval-Augmented Generation), Vector Databases.
- **Tools:** Git, Github, Postman, VS Code, Vercel, Render.

CERTIFICATE

Generative AI Mastermind
